MEAP/MEAP-Access/MI-Access Update, October 4, 2013:

1. All previously placed orders, including any orders placed by close of business on October 3, for MEAP and MEAP-Access will arrive no later than Monday, October 7<sup>th</sup> regardless of the order status message showing on the BAA Secure Site. MI-Access materials will arrive no later than Wednesday, October 9. Please do not place duplicate orders because this will slow the process. Tracking information should now be available.
2. Students who cannot test at the scheduled time because of late arrival of materials should be tested on make-up days. If this becomes necessary please report the situation to [baa@michigan.gov](mailto:baa@michigan.gov)
